HSS-G Drill Bit
2.0mm

Abracs HSS-G Drill Bits are precision ground for high performance. Best suited for use on common steel material applications, but will also cut plastic. Manufactured with a Split Point allowing the bit to instantly grip the material resulting in higher precision, accuracy and increased drilling speeds.

Features & Benefits

- High Speed Steel
- Suitable for use on Mild Steel, Sheet Metal, Plastic & Stainless Steel
- Precision Split Point head

Product Specification

Product	2.0mm HSS-G Drill Bit (10pcs)
Code	HSSG020010
Diameter	2.0mm
Length	49mm
Working Length	24mm
Material	High Speed Steel
Manufacturing Process	Fully Ground
Standard	DIN338
Head Type	Precision Split Point
Type	N
Barcode No.	5056269500763
Commodity Code	82075060
